

<p>What is LOGIN? LOGIN is a group of 19 public, school, and academic libraries in Gloucester and Salem Counties that share their resources through a computerized catalog. Your Monroe Township Library is now a member! Monroe Township residents can use their current Library cards to borrow materials from all other libraries that belong to LOGIN.</p>	<p>How does LOGIN work? Patrons can access the Monroe Township catalog, as well as the catalog holdings of all LOGIN member libraries, from the Monroe Township Library or from their home computers. Holds can be placed on materials. Materials can be picked up at the library that has the item or sent to the Monroe Township Library for pick up.</p>	<p>Borrowing policies differ at each library. Borrowed materials from other libraries are subject to the policies of that library. Please be aware of borrowing policies of LOGIN libraries. Make sure you check your receipts for the due dates of all materials, as they may differ for each library.</p>
